To all members,

The Annual General Meeting on 26 February was short of the 200 members needed to have a legal branch AGM.

Thanks and apologies to the 150 members who did attend.

We *MUST* have an AGM if the branch is to be able to represent you this year.

Without a quorate AGM we cannot:

- ***elect your branch officers for 2013***
- ***approve the financial statement***
- ***set policies on pay, conditions etc***

Branch democracy cannot work if members do not take part.

In addition, the AGM costs around £3,000 including room hire, printing and distribution. It is money wasted if the meeting does not go ahead.

It is vital you attend on 21st March

Papers for the 26th Feb meeting still apply.

Phone 0131 558 7488 if you need more copies. Also available in large print

Creche • Carers Allowance • Signer

Please advise the branch office by 15 March if you need the creche or are claiming carer's allowance
