

Lobby Against Council Cuts

Thurs 13 Feb 08.30 - 09.30

City Chambers, High Street, Edinburgh

Edinburgh Council plans to put through

- **£36 million in cuts on 13 February.**
- **This is on top of £90 million since 2011,**

Services just cannot survive with these attacks year on year.

Every service is affected. The elderly, disabled, children's services, to name a few. On top of this, staff are expected to deliver more and more with less people and less resources

- **Cuts disguised: As front line staff are working at breaking point to deliver more for less**
- **More and more people crammed into fewer buildings affecting morale and health and safety**
- **Chaotic reorganisations ignoring staff knowledge and skills and service to the public**

DON'T LET THE CUTS GO UNNOTICED.

We know the cuts come from Westminster and Holyrood but...

LET THE COUNCILLORS KNOW WE WANT THEM TO STAND UP FOR OUR SERVICES.
