

Fair Pay for Local Government Workers

Your pay is worth far less now than it was in 2010 yet you keep services going against the odds.

Councils have imposed a 1% rise for 2014, meaning you will be 16% worse off since 2010 while the top 1,000 people will be an amazing £190 billion richer.

UNISON says you deserve better and **we are launching a new claim for 2014** - because you're worth it!

JOIN US AT THE CITY CHAMBERS ON TUESDAY 4 FEBRUARY AT 12.00 FOR A SHORT DEMO TO SHOW WE DEMAND FAIR PAY.
